

# Nursing Assistants and Enrolled Nurses

The NAs / ENs assist our residents to perform the functions of daily living, under the direction of the Registered Nurses and Endorsed Enrolled Nurses. Thompson Health Care employees both qualified and unqualified persons for this role. We encourage all unqualified staff to complete their Certificate III or IV in Aged Care and provide courses in Sydney and rural areas. We have advanced roles for Nursing Assistants who have completed their Certificate IV in Aged Care with the medication component. Please contact the Director of Nursing to enquire about these specialized positions.
