To Our Residents and Relatives

This is in continuation of our last update on June 25<sup>th</sup>.

We continue to appreciate your on-going support and co-operation in protecting our vulnerable members of the community.

We are very alarmed and concerned with the current situation around the Covid cases. You will appreciate that the situation continues to be very fluid. As a result we are again exploring to bring back the visitor restrictions from as early as tomorrow.

We are exploring to revert to the garden/balcony/window and skype visits. The compassionate visits will continue at the discretion of the respective Director of Nursing.

We appreciate and fully understand that this is not ideal, our priority continues to be your loved ones and mitigating the evolving risk.

We will send another update with a firm decision dependant on the latest health advice.

Please contact Sonia or myself if you would like further clarification.

Kind Regards,

Mak Bhide

CEO
