

SPRING NEWSLETTER

BORONIA HOUSE

Greetings from the DON

It is our hope that this newsletter finds you all in good health and that you are enjoying the sunshine as we enter into the new Spring Season.

Please accept our sincere gratitude for your continued support during these trying times. Everyone has done their best to comply with restrictions that have changed from week to week. We want to assure you we're keeping your loved ones safe as our staff have kept protocols to wear their masks, social distance and all are fully vaccinated.

Our planned weekly activities have had to change because of all the challenges brought on by the pandemic, but this hasn't stopped us from keeping our residents entertained.

Kind regards
Sonu Bhandari.

Resident's contribution

My Name is Raie Norman

I'm a resident here for the last 6 months and enjoy most of the Home. The food is quite likeable for our taste.

We enjoy mixing with other people and have very nice rooms. We join in with others like painting etc, and going out in the bus to different parks which is very enjoyable.

Yours, Raie
