

Greetings from the DON

Hello everyone!

Although, the last few months have been filled with visitor restrictions and lockdowns, we have managed to stay positive and developed new ways of keeping our residents and families connected. We would like to take this opportunity to thank all our residents, families and friends of Boronia House for their ongoing support and well wishes during a difficult time. Now restrictions are easing, we looking forward to seeing you all more frequently. Our core purpose is to enhance wellbeing of our residents, and with that in mind, we will continue to support them in leading a fulfilling life.

As you know we are always keen to make quality improvements and welcome everyone's input, please feel free to talk to us if you have new suggestions/ideas to contribute to our Boronia House community

Warm Regards

Sonu Bhandari

Resident's Contribution

My name is Kathleen Herring and I came to live here last October. Lived through lockdowns with the wonderful staff who worked so hard. I look forward to bus trips. A few days ago "Her Majesty" paid us a visit at our afternoon tea that was enjoyed by all who were able to be present.

A big thank you to all the staff that look after us so well

God bless you all

Kathleen Herring
