

Welcome to our Spring Newsletter 2022!

We are pleased to inform you that the residents have had a lovely winter at Dural House. These include many fun filled activities such as social engagements, creativity, entertainment and music. Despite the third Covid wave and the occasional cool and frosty nights, we've continued to thrive and have kept ourselves warm.

We have a nice and friendly staff at Dural House who are always smiling and trying their best to meet the needs of all our residents. We also have very supportive families and friends who make Dural House a very safe and enjoyable home for many.

There were a few new families and staff who joined us over the last couple months, and I extend a very warm welcome to you all. In addition, as per my previous letter from our CEO, we have some changes in the Dural House management team. Our DDON will be leaving us this month and I will be moving to the head office to a different role. I will keep in close contact and will be seeing you every now and then.

We will have a new manager starting with us this month, Mrs Michelle Magennis, and I would like you to join me in welcoming her to the team!

Wishing you the very best,

Grace David
