

Greetings from the DON

I would like to commend our residents, families and the dedicated staff for their unwavering support and dedication to Turramurra House for the past 3 months. Looking back, we have encountered small challenges along the way. Amongst this, another Covid outbreak, which probably disheartened most of us, as restrictions were implemented once again.

However, strong as we are, we always come back and rise again. Despite all other challenges, the past three months has been a source of joy and excitement as well. We had fun activities that paved happiness and brought joyous smiles to all of our lovely residents. We had Christmas in July, Farm animals visits, birthday celebrations and other fun filled activities.

The events of past months not only brought a lot of realizations for us but it also depicted our positivity and inner strength. We are each others cheer leader support system, friend and support person. At Turramurra House, we pride both team work and hard work.

We look forward to working with you all in the coming months and ascertain the same level of satisfaction and contentment we always deliver here at Turramurra House.

Sincerely Fiona
