

Greetings from the Director of Nursing (DON) at Oran Park House!

A warm welcome from Oran Park House! We are delighted to welcome all our new residents, families, and staff members who have recently joined our community. We sincerely thank you for entrusting us with the care of yourself or your loved ones. Our team is dedicated to providing the highest level of care and support.

Open-Door Policy

We maintain an open-door policy and encourage you to reach out to us with any concerns or if you simply wish to have a chat. You can complete the feedback or suggestion form, available at the reception, Banksia Activity Room, or Level 2 Nursing Station. Additionally, you can email the form to the Director of Nursing (DON) at don_oranpark@thc.net.au or use our feedback scanner code with your mobile device to log any complaints, feedback, suggestions, or compliments.

Acute Respiratory Precautions

As the risk of viral acute respiratory infection remains moderate within the community, we kindly request all families and staff to take the necessary precautions and adhere to the OPH visit guidelines. This is to minimize the risk of exposure to our residents and ensure their safety and well-being.

Summer Precautions

With summer approaching and the potential for heatwaves, we ask families to ensure that residents are dressed in light, breathable clothing. We also encourage you to bring hats and sunglasses for outings and activities. While we provide sunscreen at OPH, if your loved one prefers a specific brand, please feel free to bring it along for their use.

Laundry Reminder

We have noticed an increase in unlabelled clothing in our laundry. To assist us in locating any missing items, we kindly request that families inform staff if any clothes are missing. Our team will assist in finding and returning lost items.

Request to Check Your Email

The Director of Nursing continues to send important OPH updates via email. We kindly ask that you regularly check your inbox for any home updates.

Christmas Planning

With Christmas approaching, if you are planning to take your loved one out for a social outing or a night out, please let our team know as early as possible. This will help us plan appropriately for outings and ensure the necessary leave support. You can also email us to inform us about any planned day or night outings during Christmas time. Given that the risk of infection is higher in December, we highly advise being vigilant and continuing to take precautions for everyone's safety.

Gratitude and Appreciation

We would like to take this opportunity to extend our sincere appreciation and gratitude to all our residents, families, and staff for your ongoing support and commitment to our community at Oran Park House.

Thank you once again for your trust and cooperation. We are here to support you and your loved ones every step of the way!

Kindest regards

Sumi
