“Residents don’t live in our facilities,
we work in their homes”

Doug Thompson

DINING EXPERIENCE

Meals are prepared by our in-house professional chef using fresh, seasonal produce and served in one of our many dining rooms or as room service.

Residents are offered a choice of meals at breakfast, lunch and dinner to ensure all tastes are catered for. Our seasonal menu is dietitian-approved.

GARDENS AND COURTYARDS

Professionally landscaped designed gardens and courtyards provide plenty of outdoor space where residents can either sit and relax quietly in the sun or share an afternoon tea with friends.

LIFESTYLE AND ENGAGEMENT

Our 7 Day Program is designed with our residents to maintain their health and wellness through a diverse range of activities. From exercise programs, including outdoor walks and games to high tea and happy hour, live entertainment, book club, art classes, relaxation and meditation, bus outings, plus more.

Additional features are our arts and craft room, in house cinema, hair and beauty salon, chapel and library, all amongst stunning modern interiors.

Residents can join as many activities as they wish or enjoy the privacy of their own suite.

CAFÉ

Our popular in-house cafe provides a place for residents and visitors to gather and socialise in the company of new friends.
