

### Greetings from the DON

It is my pleasure to welcome you to Boronia house's Spring 2023 Newsletter!

We are delighted to welcome new residents and their families. You can count on us to make your stay with us both comfortable and memorable.

It is such a blessing for us to have a wonderfully creative, energetic recreation team that organizes fun activities for our residents which is evident in the great photographs.

The support, understanding, and positivity of our residents, families, and visitors during difficult times is greatly appreciated. We are committed to enhancing residents' wellbeing by supporting them to lead fulfilling lives.

Feedback and suggestions from our residents and their families are always welcome. Please do not hesitate to contact me via phone, email or in person.

Kind regards  
Sonu Poudel.

### Activity Highlights:

Residents enjoyed going on the bus trips.

### Christmas day

### Celebrations

Happy Birthday to all our residents who recently celebrated their Birthday.

I enjoy many of the activities and appreciate the effort that is made for special occasions. We have happy hour on a Thursday/Friday and we have very good entertainers, the food is nourishing and plentiful, and as I don't like cooking, I am very pleased. My room is comfortable and spacious with a nice view of the garden. To sum up my long sea voyage in 1959 when I emigrated to Sydney was well worth it, and I really feel this is the best country in the world to live in. Enjoy it and look after it.

Olwen Henson (nee Evans) February 2023

### Resident's contribution

My name is Olwen Henson. I was born in London of English mother and a Welsh father in 1938. I am now a proud Australian since 1976 when I was made a citizen.

I moved into Boronia House in March 2022 after my husband Bob Henson passed away in late 2021. I needed company after a wonderful life with him, since we met in London in 1957, but he was very Australian through and through.

I can honestly say this is the best move I have made and I feel safe, cared for and happy here. The staff will go out of their way to satisfy our individual likes etc.

Special Moments: Residents enjoyed making valentines day cookies to have at our special High tea

Residents enjoying our Monthly Garden sessions. Newcomers Keith and Jennifer joining the garden club

Residents in Wattle enjoyed decorating and creating Hearts for Valentines day
