

# BEECROFT HOUSE SPRING NEWSLETTER SEPTEMBER 2023

Welcome to the **Spring** edition of our newsletter.

## *Message from our DON*

Welcome to our spring newsletter, firstly we would like to extend our special welcome to the residents and families who have recently joined the Beecroft house family. The weather has been perfect, and our residents have enjoyed the outings, bus trips and all the activities conducted at Beecroft House. We are extremely delighted that we are receiving a lot of feedbacks on our activities, and we are continuously mending ourselves to suit our residents' preferences and needs.

We have a lovely team of our care staffs who are always working their best to provide the care and needs that our residents deserve. We also have a good support from our family and relatives, feedback and suggestions have always been a backbone of Beecroft House.

We have quite a few numbers of new residents, family members and staffs who have joined our team, I extend a warm welcome to all of them.

We have highlighted few of the events that is upcoming in September please familiarise yourself with the dates.

Finally, we wish you all good health.

Thankyou  
DON Sujita Pandit

## **Entertainment:**

Residents were thrilled to have Ares Hernandez entertain us for our Father's Day Morning Tea the room was filled with joy and laughter as Ares played his Accordion and sang songs that brought back memories for many. There was an expression of emotion-both laughter and tears- as these memories were relived and the past made present. We look forward to many more musical events.
