

### Greetings from the DON

#### *Hello and Welcome,*

*I would like to extend a warm welcome to all the new residents and their families at Boronia House. It is my hope that all our residents have settled into their new homes. We are grateful for your trust in our team to take care of you/your loved ones. We are looking forward to making good memories with you all as we live in our home together.*

*We always welcome your compliments, suggestions, feedback, or complaints and will be happy to receive them. Please fill out feedback form and leave it in the box near the reception area. Feedback forms are available at the reception. We have an open-door policy, so if you have any concerns or would like to speak with us, please do not hesitate to get in touch with us.*

*It has been an honour to receive all the support that Boronia House has received from families.*

*Kind regards,*

*Sonu Poudel*

### Resident's contribution:

*My Name is Eileen. I love to join in with many different activities such as Bingo, Happy Hour, Diamond Art, Making Bookmarks and various theme days. I especially love the monthly Knit and Knatter group, but my favourite is Craft because you get to see the creation you've made afterwards. Boronia house is a good place to be because I love the variety of activities, everybody is so friendly, and I am treated very well. No complaints here!*

*Eileen Morrow*

*Introducing the very talented Esther Bishay, Diamond art is her passion, she is extremely talented and loves to share her work with Boronia House, donating many of her works of art to other residents and her Church.*

### Naidoc week 2023 Highlights:
