THOMPSON  
HEALTH CARE

Darley House, a **sophisticated, intimate aged care residence**, welcomed residents in March 2025.

Thoughtfully blending **contemporary amenities with classic design**, it has quickly become one of the most sought-after homes on Sydney's Northern Beaches.

Residents can **relax in spacious, beautifully designed single rooms**, each with a private ensuite and large windows that fill the space with natural light. Every suite is equipped with a state-of-the-art king single bed, a flatscreen TV, Wi-Fi, and air conditioning for maximum comfort.

Darley House features a variety of **covered balconies and beautifully landscaped outdoor spaces**, offering residents the ideal setting to enjoy fresh air or connect with others. An on-site café also serves a selection of refreshments, adding to the welcoming and social atmosphere.

Thompson Health Care are committed to **understanding and meeting every resident's personal health and well-being needs**.

That means carefully tailored individual care plans, the chance for residents to choose their own doctor as well as to take advantage of easy onsite **access to allied health professionals** such as dental, physiotherapy, podiatry and optometry.

“Residents don’t live in our facilities,  
we work in their homes”
