“Residents don’t live in our facilities,
we work in their homes”

Doug Thompson

Dining Experience

Meals are prepared by our in-house professional chef using fresh, seasonal produce and served in one of our two dining rooms, alfresco dining or as room service.

Residents are offered a choice of meals at breakfast, lunch and dinner to ensure all tastes and dietary requirements are catered for. Our seasonal menu is dietitian approved.

Gardens and Courtyards

Our sun-drenched outdoor balconies, courtyards and landscape-designed cottage gardens provide residents with plenty of choice when relaxing with family and friends.

Wellbeing and Lifestyle

Our program is designed with our residents to maintain their health and wellness through a diverse range of activities. From exercise programs, including outdoor walks and games to high tea and happy hour, live entertainment, art classes, book club, bus outings, relaxation, plus more.

Additional features are our hair and beauty salon, plus a library, all amongst comfortable, relaxed interiors.

Café

Our popular in-house cafe provides a place for residents to gather and socialise in the company of new friends.
