ABOUT ME

My name is Saadia Ahmad and im a dedicated and compassionate individual with a strong desire to work with and support the older community. As a mother of three, I understands the importance of care, patience, and connection, which I hope to extend beyond my family to those in need. My love for cooking and crafts allows her to bring creativity and warmth into the lives of others, whether through sharing homemade meals, organising engaging activities, or fostering meaningful relationships. My passion for helping seniors reflects my deep sense of empathy and commitment to making a positive impact in my community.

CAREER OBJECTIVE

Growth Opportunities: AIN/disability worker offers room for personal and professional development, aligning with my career goals.

Team Collaboration: I thrive in teamwork-driven environments and look forward to contributing to AIN/disability workers cohesive team.

Client Satisfaction: I take pride in delivering exceptional service and am excited to create memorable experiences in supporting clients to thrive for there best.

EDUCATION

- **Bachelor of Arts from overseas**
