I am passionate about caring for elderly people and those vulnerable. I want to prove that I am an asset to any employer. I have obtained certificates that could help me find work and prove my work ethic and eagerness. I have my own car and would like to use the skills mentioned below to find any work. I speak 3 different languages English, Arabic and Nuba Moro. The personal qualities I see in myself are friendly, open nature, able to communicate well with others, ability to multitask, organised and efficient, hard worker, reliable and punctual.
