Career Objectives

Compassionate and driven social work professional with hands on experience in community services, client support, and event coordination. Proven ability to support vulnerable populations including the elderly, homeless, and youth. Skilled in communication, research, digital tools, and collaborative care planning.

Experience

Assistant in Nursing (AIN) – Aged Care

March 2025 – Present

Harbison Retirement Village, Mossvale, 2577, NSW

- Provide personal care including showering, dressing, grooming, and toileting for elderly residents
- Assist residents with mobility, transfers, and use of mobility aids
- Monitor and report changes in physical and emotional health to nursing staff
- Support residents with meals and hydration, including feeding assistance if required
- Maintain accurate documentation of care activities and observations
- Work collaboratively with nurses, allied health professionals, and other staff to implement individualized care plans

Student Intern – Field Education 1

Jan 2021- May 2021

Christian Community Aid, Eastwood, 2122, NSW

- Provided holistic, wrap-around support tailored to client care plans
- Participated in intake assessments, observed care plan preparation
- Supervised client-centered activities (e.g. Yoga, exercise classes, outings)
- Trained clients to use Zoom for remote group participation
- Escalated care needs and service changes to customer care consultant
- Participated in weekly service gap analysis discussions
- Managed client communications and assisted with correspondence

Student Intern – Field Education 2

Sep 2021- Dec 2021

Nova Group & Catholic Care, Diocese of Broken Bay, Australia

- Developed volunteering programs supporting homeless individuals
- Conducted outreach via social media and community visits
- Researched government and nonprofit support services in Sydney
- Created empowerment plans and weekly engagement activities

Trainer

Jan 2018 – Jan 2019

TC Star, Nepal

- Taught monocursive handwriting to rural students
- Delivered teacher training sessions
- Provided counselling to youth from difficult backgrounds
- Developed educational projects to empower underserved communities
