Experience

Support worker (Disability)

Assure Ability

- Provide personalized support to individuals with mental health challenges, disabilities, and learning difficulties to enhance their quality of life.
- Assist clients with daily living activities, including personal care, mobility, meal preparation.
- Develop and implement care plans in collaboration with healthcare professionals, families, and support services.
- Build trusting relationships with clients by offering empathetic and person-centered care.

Communitive volunteer

Local Community Organization

- Assisted with events and activities for individuals with disabilities, helping to create an inclusive and supportive environment.
- Provided companionship and support to individuals, helping them participate in social activities.
- Assisted with preparing meals and distributing food to community members in need

Case Worker Volunteer

Bankstown Vinnies Support Center

- Assists clients in making knowledgeable healthcare choices by presenting them with service provider options
- Advocates solutions on behalf of their clients by engaging service providers
- Organizes and facilitates patient care by assessing and evaluating patients' needs
- Ensures client satisfaction by going the extra mile in interacting and keeping track of their progress.

About Me

I am a compassionate and dedicated individual with a strong desire to pursue a career in support work. I am passionate about helping people with disabilities and other support needs to achieve greater independence and improve their quality of life. While I am new to the field, I bring a positive attitude, excellent communication skills, and a genuine commitment to providing high-quality care. I am eager to learn, grow, and contribute to a team where I can make a meaningful difference in the lives of others. I'm adaptable and willing to use public transportation to reach clients and work flexible hours to meet the needs of the role.
