

SUMMARY

An experienced and qualified disability / older adults support worker with excellent caring and patient personality. Well organized, punctual, a team player who is also able to work on own initiative and can lead others as well. Supports clients to live independently as possible by implementing effective programs to help develop skills and abilities that allow them to participate in their local community.

Comfortable working in one-to-one-situations with people of varying levels of disability and all ages. Seeking a role with a quality support provider where I can continue to help people reach their potential and lead fulfilled lives. Also, an experienced individual in supporting and caring older adults as I have first hand experience with my grandfather and father in helping them on their daily activities. With more than 4 years experienced I have gained a lot of skills and knowledge that can be beneficial to others.

OBJECTIVE

Seeking a permanent position as a Care Worker for older adults and person with disability to maximize the skills and knowledge I have acquired in my study.
