

CHEYANNE BAKER

1st year - Assistant In Nursing

My name is Cheyanne, and i am an 18 year old woman who recently graduated from Camden High School and Macarthur Clinical School in 2023 in which i successfully completed my CERT III in Assisting In Nursing In Acute Care, and First Aid certificate.

I believe that i am a person who is kind, always willing to lend a helping hand, and will always make sure the people i work with, and care for always are looked after at the best of my ability. I will always recognise my clients as individuals, and i understand the importance of person-centred care, especially within the Health Care environment.

I am reliable, always honest, trustworthy and responsible.

My love for the Healthcare industry has forevermore grown, and is now why i have been accepted into Western Sydney University where i will study the Bachelor of Nursing degree for 2024.

DOB: 09/09/2005
(18 years old)
