Dear The Thompson Health Care Team and the Hiring Manager,

I am writing to express my interest in the Assistant in Nursing position at Thompson Health Care, as advertised. I am currently a second-year nursing student at the University of Wollongong, and I am eager to apply my growing clinical skills and knowledge in a practical setting. With experience from both my first-year and semester one second-year clinical placements, I am confident in my ability to contribute effectively to your team and provide high-quality care to your patients.

Throughout my clinical placements, I have developed a solid foundation in patient care, including performing routine assessments, administering medications, and assisting with daily living activities. These experiences have honed my ability to communicate effectively with patients and their families, as well as collaborate with interdisciplinary teams to ensure comprehensive care. I have also been trained in various clinical procedures and have developed strong problem-solving skills that I believe will be valuable in the Assistant in Nursing role.

Thompson Health Care's reputation for excellence and commitment to compassionate patient care strongly resonates with my professional values and aspirations. I am particularly drawn to your organisation's emphasis on providing a supportive and nurturing environment for both patients and staff. I am eager to bring my dedication, enthusiasm, and hands-on experience to your team and contribute to the high standards of care that Thompson Health Care is known for.

In addition to my clinical experience, I am known for my strong organisational skills, ability to work under pressure, and commitment to continuous learning. I am confident that my proactive approach and passion for nursing make me a strong fit for the Assistant in Nursing position.

Thank you for considering my application. I look forward to the opportunity to discuss how my background and skills align with the needs of your team. I am available for an interview at your convenience and can be reached at 0403662614 or liliana0fazio@gmail.com

I look forward to hearing back from you,

Kind Regards, Liliana Fazio.
