I am extremely hardworking, trustworthy, determined and willing to learn new things. In a fast-paced environments, I am always ready to face new challenges, able to multi-task and hand pressure, and I could also work as a part of a team and most importantly, I function well with positive attitude. In addition, I am very compassionate and have the passion to assist and help others. In dealing with clients/patients, I also have the attributes of long patience to successfully deliver their needs.
