Career Objective

With experience in caring for the elderly and individuals with physical disabilities, I am seeking an opportunity to apply my skills in providing support and care for those in need in a professional setting. I have specialized skills in providing services to the blind and individuals requiring medical care. Additionally, I am currently completing the Certificate III in Aged Care and Disability to further enhance my expertise in this field.

Skills

- Care for Visually Impaired Individuals and Those in Need of Medical Support
- Ability to Perform Household Tasks and Maintain a Clean Living Environment
- Proficient in Computer Use and Social Media Management
- Organizing and Managing Household Space Efficiently
- Care for Individuals with Chronic Conditions, such as MS
- Teamwork and Effective Communication with Families and Medical Staff

Work Experience:

Elderly Caregiver at Aged Care Facility , overseas

Duration: 2 years

- Provided daily caregiving services to elderly individuals and those requiring specialized care.
- Assisted with daily activities, including helping with feeding, hygiene, mobility, and movement.
- Collaborated with medical staff and nurses to monitor health status and medication administration.
- Engaged in social activities for the elderly to improve their quality of life and prevent feelings of isolation.
- Offered guidance and support to families of patients regarding care and well-being of their loved ones.

Caregiver for Visually Impaired Woman with Medical Needs ,Sydney, Australia

Duration: 9 months

- Provided care for a visually impaired woman who required medical and daily support.
- Assisted with daily activities such as accompanying her to medical appointments and handling transportation.
- Provided computer assistance and managed her social media to facilitate communication.
