PROFESSIONAL SUMMARY

Dedicated Support Worker with strong communication skills, a common-sense approach to problem solving, an intuitive understanding of human behaviour and a steady personality. Implements effective programmes to support clients to develop skills and abilities so they are more able to live as independently as possible and to help them participate in the community. Comfortable working one-on-one with people of all ages and varying levels of ability. Seeking the right company in which to fill the position as disability or care support worker and put my skills, education and experience to work.
