### **Career Objectives**

A self-motivated nursing assistant who can accomplish all her assigned responsibilities with minimal supervision. I always have a compassion, dignity and respect when looking after my patient. Being in a good physical and mental health I am more than able to take care of the day to day needs of residents and can handle all types of people. With my current employer I am involved in assisting members of nursing team to provide high quality care to people of different age and background. Right now, I am looking for an AIN position with a company that is committed to provide a best health care for its patient and best working environment for its employees.
