## Objective

I am a caring, reliable, and hardworking individual seeking an Assistant in Nursing or Personal Care Assistant role. I am passionate about supporting elderly residents with compassion and dignity. My experience in healthcare training, customer service, and cleaning roles has helped me develop strong communication, hygiene, and time management skills—essential qualities for aged care work.

## Skills

- Personal care (showering, grooming, toileting)
- Feeding and meal support
- Taking vital signs (BP, pulse, temperature)
- Infection control and hygiene awareness
- Manual handling and mobility support
- Strong communication and problem-solving
- Time management and working independently
- Cultural sensitivity and teamwork
- Punctual, committed, and dependable

## Education

Diploma of Nursing

Queensford College, Parramatta

Finishing May 2026.
