

MANJU MATHEW

REGISTERED NURSE

Phone : +965 66273165

Email : manju.mathew.7979@gmail.com

CAREER OBJECTIVE

A dedicated and highly experienced Senior Registered Nurse with over **22 years** of expertise **in critical care, specifically within the Cardio-Thoracic Surgical ICU**. I possess a strong ability to provide comprehensive post-operative care, manage complex cardiopulmonary devices, and lead a multidisciplinary team to deliver optimal patient outcomes. My background in managing critically ill patients, coupled with my skills in hemodynamic monitoring, invasive procedures, and patient safety, enables me to provide high-quality care in fast-paced environments. I am passionate about mentoring junior staff and fostering a culture of clinical excellence. My goal is to continue to contribute to the healthcare sector by utilizing my extensive knowledge, leadership skills, and dedication to enhancing patient care and safety.

WORK EXPERIENCE -22 Years

Senior Registered Nurse – Cardio-Thoracic Surgical ICU

Ministry of Health – Kuwait, Chest Diseases Hospital

Nov 2006 – Present

Patient Care and Monitoring

- Delivered comprehensive post-operative care for adult and pediatric patients recovering from complex cardiothoracic surgeries, including CABG, valve replacements, and lung resections.
- Monitored hemodynamic parameters using invasive lines such as central venous catheters, arterial lines, and Swan-Ganz catheters.
- Administered and titrated vasoactive and inotropic medications to stabilize critically ill patients.

Device and Equipment Management

- Managed advanced cardiopulmonary devices, including ECMO, intra-aortic balloon pumps (IABP), and ventricular assist devices (VADs).
- Ensured proper handling and maintenance of critical care equipment such as ventilators, dialysis machines, and syringe pumps.

Clinical Interventions

- Performed complex interventions, such as tracheostomy care, wound vac dressing changes, and removal of chest tubes and central lines.
- Conducted thorough patient assessments, created individualized care plans, and documented progress in electronic medical records (EMR).

Team Collaboration and Leadership

- Collaborated with a multidisciplinary team of intensivists, anesthetists, surgeons, and allied health professionals to optimize patient outcomes.
- Supervised, mentored, and trained junior nurses and nursing students, fostering a culture of clinical excellence and knowledge sharing.

Quality and Safety

- Ensured strict adherence to infection control protocols and patient safety standards, contributing to a low complication rate in the ICU.
- Participated in quality improvement initiatives, including the implementation of evidence-based practices to enhance patient care.

Registered Nurse – Cath Recovery Room

Escorts Heart Institute and Research Centre, India.

December 2003 – July 2005

Post-Procedural Care

- Provided post-procedure care to patients undergoing diagnostic and interventional cardiac catheterization procedures.
- Monitored patients for complications such as bleeding, arrhythmias, or hemodynamic instability, and took prompt action when necessary.

Patient Education and Support

- Educated patients and families about post-procedure care, medications, and lifestyle modifications to support recovery and improve cardiac health.

Equipment Management

- Ensured the proper functioning of equipment such as ECG monitors, defibrillators, and infusion pumps used in the recovery room.

Documentation and Coordination

- Maintained accurate documentation of patient care, including observations, interventions, and outcomes.
- Coordinated with the cardiac team to facilitate timely discharge and continuity of care

Registered Nurse – Cardio-Thoracic Surgical ICU

Care Hospital Nampally, India.

February 2002 – October 2003

Critical Patient Management

- Managed critically ill patients recovering from cardiothoracic surgeries, providing high-quality care in a fast-paced ICU environment.
- Monitored patients on mechanical ventilation and administered medications to optimize respiratory function and hemodynamic stability.

Assistance in Procedures

- Assisted in surgical interventions and post-operative procedures, such as central line insertions, chest tube placements, and extubations.

End-of-Life Care

- Provided end-of-life care with compassion and sensitivity, ensuring comfort for patients and support for families.

Compliance and Assessment

- Maintained sterility and compliance with infection control measures during invasive procedures and routine care.
- Regularly assessed patients' conditions and adjusted care plans in collaboration with the medical team to meet changing needs.

EDUCATION

• Bachelor of Science in Nursing

Vivekananda College of Nursing, Dr. MGR Medical University, India | November 1997 – November 2001

REGISTRATION

• Annual Practicing Certificate APC

- Nursing Council of New Zealand

New Zealand visitor visa approval

Application number VV01345427 for a New Zealand Visitor Visa - Occupational registration has been approved. If this application has been made through an immigration adviser, lawyer or other representative who is exempt from licensing, this entire document must be provided to the applicant.

Visitor Visa details

Applicant details

Name: Manju Mathew

Date of birth: 14-November-1979

Gender: Female

Passport number: V9366311

Nationality: India

Client number: 87037577

Visa conditions

The start date of this visa is 20 August 2024.

This visa allows multiple entry - you can enter New Zealand multiple times using this visa.

The last date you may travel and re-enter New Zealand is 20 August 2025.

On each entry into New Zealand you can stay up to 3 months at a time.

Stay subject to grant of entry permission.

You must leave before visa expiry or face deportation.

The holder shall not undertake employment in NZ.

The holder shall not study for more than 3 months in every 12 month period in NZ.

If you do not comply with these conditions you may become liable for deportation.

You do not require a visa label in your passport

The details above reflect the electronic record of your visa held by Immigration New Zealand (INZ).

Do not alter this letter. For information about eVisas go to www.immigration.govt.nz/evisas.

Please check that your visa details match your passport before you travel and contact us immediately if there are any errors.

If you get a new passport while this visa is still valid, you must request INZ to update your visa details so that they match your new passport. INZ's website has information on how to do this:

www.immigration.govt.nz/transfervisa

You can verify the details of your visa online using the Visa Verification Service:

www.immigration.govt.nz/about-us/our-online-systems/visa-verification-service

Travelling to New Zealand

You must complete a New Zealand Traveller Declaration (NZTD) to enter New Zealand. You can complete this declaration online in the 24 hours before you start your journey to New Zealand.

www.travellerdeclaration.govt.nz

Arriving in New Zealand

When you arrive at the New Zealand border, you must meet our entry requirements, even if you hold a valid visa.

To request entry permission, you must complete an NZTD and:

- present your passport to an immigration officer, or
- use an eGate or SmartGate if you hold an eligible passport.

If you are completing a paper NZTD, you will need to present it at the border.

At the border, an immigration officer might ask you to provide evidence to support your entry into New Zealand. For example, they might ask to see your onward ticket or evidence that you can financially support yourself while you are in New Zealand.

www.immigration.govt.nz/arriving

Staying in New Zealand

How long you can stay in New Zealand depends on whether you have a multiple entry or a single entry visa.

- **Multiple entry.** If you have a multiple entry Visitor Visa, you can enter New Zealand as a visitor as many times as you want until your visa expires. In any 12-month period, you can stay for a total of 6 months. This 12-month period is calculated back from the last day you intend to be in New Zealand during your visit. For example, if the last day you intend to be in

PRINT THIS DOCUMENT AND CARRY IT WITH YOUR PASSPORT WHEN TRAVELLING

New Zealand is 1 December 2025, you can spend a total of 6 months in New Zealand between 1 December 2024 and 1 December 2025.

- **Single entry.** If you have a single entry Visitor Visa, you can enter New Zealand as a visitor once and stay until your visa expires.

www.immigration.govt.nz/visitor-visa-conditions

Automated systems

Some aspects of your application have been processed using automated systems in accordance with section 28 of the Immigration Act 2009. For more information about INZ's use of automated systems go to www.immigration.govt.nz/about-us/site-information/terms-of-use

You must not remain in New Zealand after your visa expires

You must hold a valid visa at all times while you are in New Zealand. If you do not hold a valid visa, you will be in New Zealand unlawfully and you will be liable for deportation. If you do not leave voluntarily before you are served with a deportation order you will face a prohibition period preventing your return to New Zealand in the future.

If you have any questions, you can:

- call our Immigration Contact Centre on 0508 55 88 55 or 09 914 4100, or for those outside of New Zealand +64 9 914 4100, or
- find answers to frequently asked questions at:
www.immigration.govt.nz/knowledgebase/kb-question
