📅 When can I start?
August 5th due to current contract

👤 About Me

I have wanted to be a nurse since I was little, driven by a deep passion for caring for others. I take pride in providing compassionate and attentive support to those in need. Outside of nursing, I love to travel the world and embrace new experiences, always eager to learn and grow both personally and professionally.

🛠 Skills

- Strong communication and customer service skills
- Able to work independently and manage responsibilities solo
- Compassionate and patient, with experience caring for children and supporting others
- Good time management and multitasking in busy environments
- Reliable and responsible, trusted with opening/closing and cash handling
- Experience in healthcare settings through work experience at Cardinal Health

🎓 Education

• Bachelor of Nursing 2025- 2027 *Australian Catholic University*

Currently pursuing my Bachelor of Nursing at ACU, where I am continually building my clinical expertise and theoretical knowledge. I am deeply passionate about nursing and dedicated to providing compassionate, patient-centered care. I find great fulfillment in developing the skills necessary to make a meaningful difference in people's lives

• Brigidine College St Ives 2020 - 2023 *High School*

Completed my secondary education at Brigidine College St Ives, where I thrived in a supportive Catholic learning environment. I especially enjoyed participating in the performing arts, with a strong passion for drama, while also developing a well-rounded academic foundation grounded in the school's values of strength and gentleness.

👜 Experience

Hospitality

• Kitchen Hand / Cook / Customer Service Chargrill Charlie's 2021-2024

Gained valuable experience working in a fast-paced team environment, performing a variety of roles including food preparation, cooking, and front-of-house customer service. Developed strong multitasking skills, attention to detail, and the ability to remain calm under pressure. Built excellent communication and customer service skills, ensuring a positive dining experience for every customer.

• Nanny — Private Families

Cared for children ranging from 6 months to 15 years, providing a safe, supportive, and nurturing environment tailored to each child's needs. Responsibilities included school pick-ups, preschool drop-offs, meal preparation, and emotional support throughout daily routines. Developed strong interpersonal skills, patience, and a deep sense of empathy, fostering trusting relationships with all children and families — qualities I continue to carry into my nursing career.

Cardinal Health - Work Experience

Helper — Cardinal Health (Work Experience) 2017- 2019

Completed work experience at Cardinal Health, assisting with various tasks to support healthcare operations. Gained valuable insight into the healthcare industry, including the importance of organisation, accuracy, and attention to detail in supporting patient care behind the scenes. This experience strengthened my interest in healthcare and deepened my commitment to pursuing a career in nursing.

Retail Assistant- Tasman Ugg

2024-2025

Independently running the store on my own for full-day shifts, confidently managing all aspects of daily operations including opening, closing, sales, stock management, and cash handling without supervision. I loved building genuine connections with customers, providing personalised service, and ensuring every visitor felt welcome and valued. This role strengthened my confidence, independence, and passion for helping people — qualities I bring to my nursing career.
