Professional Summary

I am a compassionate and dedicated aged care nurse with 13 years of experience in providing high-quality care to elderly patients. My skills include administering medications, monitoring vital signs, and coordinating care plans to ensure the comfort and well-being of residents. I am proficient in maintaining accurate documentation and collaborating with interdisciplinary teams to deliver comprehensive care in accordance with established protocols and regulatory standards. My strong commitment lies in promoting the dignity and independence of elderly individuals within a residential care setting.
