OBJECTIVE

Caring and compassionate AIN well-versed in anatomy and physiology, nursing fundamentals and medical terminology. Responds to emergencies with grace and efficiency. Demonstrated success in effectively delivering superior care to multiple patients, balanced with high-volume task load.

EXPERIENCE

St Basil's

Clinical placement 2020-2020

- Monitored number of patients, checking their vital signs, updating their information of progress in computers.
- Employed mobility devices and lifting equipment to lift patients from chairs to beds, following all safety procedures to avoid injuries.
- Helped patients effectively manage routine bathing, grooming and other hygiene needs.
- Participated in fun group activities with patients to boost mood, improve overall memory and provide light entertainment.
- Observed RNs giving medication to residents and complete medication chart.
Participated in continuous improvement by generating suggestions, engaging in problem-solving activities to support teamwork.
- Devoted special emphasis to punctuality and worked to maintain outstanding attendance record, consistently arriving to work ready to start immediately.
