PERSONAL SUMMARY

I am dedicated, responsible and a hard worker. I am very keen to learn and develop skills whenever opportunities arise. I am a fast, reflective, enthusiastic and efficient learner. I am willing to complete any training and tasks necessary to fulfil any job to the best of my ability. I am also fun, friendly and have a positive outlook in life. I am currently studying Bachelor of Nursing at University of Notre Dame, and recently completed three weeks of hospital clinical placement.

SKILLS

- Good communication skills
- I work well with others within a team and I am willing to help others
- Ability to work under pressure
- Work oriented
- I am organised
- Efficient time management
- Recent clinical hospital placement
