ABOUT ME

Compassionate and results-driven Registered Nurse (AHPRA Registered) with over 19 years of experience in delivering high-quality patient care across emergency care, operation theatres, medicine wards, and maternal care. Proven expertise in administering medication, conducting physical assessments, assisting in surgical procedures, and ensuring adherence to clinical and safety protocols. Adapt at collaborating with multidisciplinary teams to promote patient recovery and safety. Currently seeking a Registered Nurse position in Australia with 482 Visa Sponsorship to contribute my skills and experience to provide exceptional healthcare services.

EXPERIENCE

- **Nursing Officer** June 2014 – Present
Kalpana Chawla Government Medical College & Hospital, Karnal
 - Provide comprehensive patient care for male, female, and elderly patients in the medicine ward.
 - Monitor patient vitals, perform physical assessments, and administer prescribed medications.
 - Assist surgeons in laparoscopic surgeries, ensuring proper sterilization of surgical instruments.
 - Deliver maternal and newborn care, assisting in labor room procedures, postnatal care, and health education.
 - Perform life-saving interventions such as CPR, newborn resuscitation, and emergency medication administration.
 - Collaborate with interdisciplinary teams to develop and implement patient care plans.
 - Maintain infection control practices and ensure 100% compliance with hospital protocols.
 - Handle inventory management, medical supply procurement, and emergency drug availability.
