PROFESSIONAL SUMMARY

Motivated nursing student with a solid foundation in nursing principles and a strong desire to contribute to patient care as an Assistant in Nursing (AIN). Eager to apply my theoretical knowledge and hands-on clinical experience to deliver compassionate and efficient care to patients. Skilled in assisting with activities of daily living, monitoring patient vitals, and providing support to healthcare teams. Excellent communicator with a proven ability to establish rapport with patients and families. Committed to upholding the highest standards of patient safety and well-being. Seeking an AIN role to contribute to a collaborative healthcare environment and further develop clinical skills.
