

RESUME

Pushpa Raj Gautam
ASSISTANT IN NURSING
3/29 Baxter Avenue, Kogarah
Postcode: 2217
Contact number: 0420670997 Email:
razzpushpagtm10@gmail.com

Statement of purpose:

I consider myself as a well-rounded individual, equipped with the core skills required to prosper in a caring environment. My strong sense of responsibility enables me to monitor clinical compliance and security risks during shifts. I have demonstrated a commitment to quality, oriented towards the development and growth of the company.

Training:

- Certificate IV placement at St. Vincent Aged Care and Nursing Home (Heathcote, NSW, Sydney)
- First Aid training from Block Learning Pty. Ltd.
- Manual Handling from Block Learning Pty. Ltd.
- Aged Care Compliance and E-learning from JMV Staff Directory.
- Clinical Onboarding and Dementia training from Montefiore Training Hub.
- Best-Med training from Best-Med AU Hub.

Personal Abilities and attributes:

- Punctual, disciplined, and approachable.
- Able to work under unpredictable circumstances.
- Can remain calm in difficult situations and support others simultaneously.
- Willing to undertake training needs and attend study days as appropriate.
- Good verbal and written communication skills, along with an excellent telephone manner.
- Physically fit and able to stand for long periods (day and night).
- Outstanding experience in aged care health settings and an understanding of issues related to dementia care or impaired cognition.
- Ability to use computerized clinical management software such as Australian Health Metrics (E-Case) software.

Experience:

- Worked as a Nurse Assistant in Pokhara Aged Shelter, Nepal.
- Working as a care staff in James Milson Village, North Sydney
- Worked as casual AIN in Montefiore aged care , Randwick.

Role and responsibilities:

- Provide basic care to residents and assist them in daily activities such as bathing, feeding, and grooming.
- Maintain the comfort and dignity of residents at all times.
- Provide emotional support to residents whenever needed.
- Adhere to all healthcare regulations, policies, and procedures.
- Ensure a safe environment for residents, staff, and visitors by following safety guidelines.
- Report and promptly address healthcare and behavioural changes in residents.

Academic qualifications

- Completed Secondary school examination from the NEB board (Nepal) in 2013
- Completed Senior school certificate examination from the HSEB board (Nepal) in Science stream in 2015.
- Graduated from Prithvi Narayan Campus, Nepal in BSc. Zoology, 2020.
- Studying Master of Information system in Australian Institute of Higher Education.
