

# ANGELICA “JACE” BAUTISTA

(+61) 450 760 545 | troublxm@gmail.com | 8/65 Gladstone Street, Newport NSW 2106

## WORK EXPERIENCE

**Estia Health Manly Vale** – *Assistant-in-nursing: Nutrition & hydration*; 5-13 King St, Manly Vale NSW 2093

January 2025 – Present

- Adhering to the organisation’s care plan strategies that are aligned with their personalised meal service model, ensuring and supporting the residents in enhancing their health and well-being, especially in meeting their nutritional and hydrational needs
- Assisting residents with their dietary and fluid consumption and their daily activities
- Attending to their emotional and social well-being during care and interaction
- Collaborating with team members and the Registered Nurse to enhance the residents’ quality of life

## STUDENT PLACEMENT

**St. John of God Burwood Hospital** – *Mental health*; St. John of God Burwood Hospital, 13 Grantham St, Burwood NSW 2134

**Concord Repatriation General Hospital** – *Geriatric ward*; Hospital Road, Concord NSW 2139

**Norwest Private Hospital** – *Orthopaedic ward*; 11 Norbrik Dr, Bella Vista NSW 2153

The tasks performed as a student enrolled nurse during work placement are the following:

- Performing general observations, manual handling, risk assessment, and admission and discharge processes
- Conducting blood glucose level (BGL) tests, integumentary assessment, body mass index (BMI) assessment, neurological observation, neurovascular assessment and peripheral circulation, urinalysis, and pain assessment
- Assisting with activities of daily living (ADLs)
- Maintaining a clean and tidy environment to promote patient comfort through bed-making
- Reporting patient findings and changes to the Registered Nurse or team leader
- Administration of oral and subcutaneous medications
- Emptying of indwelling catheters, and monitoring and documenting urine output
- Documentation of vital signs and other observations into the electronic health record system
- Providing wound care management
- Conducting mental state examinations (MSE)
- Operating electrocardiograms (ECG)
- Documentation of patient care and observations into progress notes
- Active participation in handover meetings
- Collaboration with nurses, medical practitioners, allied health professionals, and other hospital staff
