Work Experience

Cleaning Assistant @ Cleantech1

• June 2024 to Present

- Cleaning tasks include sweeping, mopping, and keeping platforms, restrooms, and waiting areas tidy.
- Challenges include handling high foot traffic, working around tight train schedules, and ensuring safety.
- Shifts often involve early or late hours and require teamwork for smooth operations.
- Benefits include a sense of accomplishment, skill-building, and occasional interaction with travelers.

Hospital Cleaner @ MBC Recruitment

• April 2022 to April 2023

- Ensured high standards of cleanliness and hygiene through thorough cleaning and disinfection of assigned areas.
- Handled waste disposal, including trash removal and recycling.
- Managed inventory and restocked cleaning supplies as needed.
- Exhibited strong attention to detail and meticulousness in maintaining cleanliness and organization throughout assigned areas.

Food Processing Worker @ Master Eats

• April 2022 to April 2023

- Packed, processed, and forwarded diverse food products following specific instructions.
- Removed defective food or packaging products and materials and properly placed and routed rejected items.
- Set up workstations and prep tables.
- Kept work areas clean, neat, and sanitized.

Education

Skyline International College , Sydney

(April 2022 - June 2024)

- Diploma in Information Technology
- Advanced Diploma in Information Technology
