I have had a lot of jobs requiring communication and customer service starting from mermaids , hi tide, Meaw Meaw , tiger temple

I have studding a cert 3 in allied health at gosford nsw tafe during tafe I did work placement at a nursing home

I communicated with residents and staff

I bathed and showered residents as well as drying and clothing them

I used the chair lifters

I fed residents and helped them drink

I assisted residents with going to the bathroom and wiped for them

I cleaned the residents dentures and teeth , brushed there hair and washed it then moisturised there body i then made beds and tidy up there rooms i changed pads and put new ones on I done all this with supervision

My report from the staff supervising me was “communicates well with both staff and residents , keen to learn the job including being hands on getting in and learning performed showering residents cleaning teeth and dentures changing incontinent aid all with supervision will make a great nurse our residents love her “
