DAKOTA THOMSON

PROFILE

My name is Dakota, I am currently in year 11 at Bowral high school. I am interested in getting part time work so I can gain experience and make some money whilst I am studying.

I am hard working, reliable and trustworthy. I get on well with most people and I work well within a team environment.

References

Daniel Williams (professional reference)-

I am writing to recommend Dakota Thomson. Dakota has worked for me at Zambrero Mittagong since 19th November 2020, she is punctual, reliable, committed, confident and wise beyond her years. She opens and closes the shop independently, serves our customers with exceptional customer service, handles customer queries and does a lot of staff training on my behalf. She is a superb employee, and an absolute asset to our business, I cannot recommend her enough.
