## About me:

My name is Chloe, I am currently pursuing a Bachelor of Nursing degree, which I began in 2024. I am passionate about my studies and the field of healthcare. In my leisure time, I enjoy reading, which helps me broaden my knowledge and perspectives, and practicing Pilates, which keeps me physically active and focused. I am able to handle multiple tasks on a daily basis, employing a creative approach to problem-solving. Known for my dependability and excellent time management skills, I am energetic, flexible, and consistently successful in meeting my goals.

I am currently a carer at Australian unity, I have a profound passion for caring for people, which is a driving force behind my pursuit of a Bachelor of Nursing degree. I find fulfillment in supporting individuals through their health journeys, offering both emotional support and medical care. My empathetic nature allows me to connect with patients on a personal level, understanding their needs and providing comfort during challenging times. I am dedicated to making a positive impact in their lives, ensuring they receive the highest quality of care and attention.

I am eager to bring my passion and dedication to the team!  
Thank you for considering my application.
