Objective

To offer consistent, unconditional care, enabling each service user to live in an environment that encourages positive relationships, mutual respect, trust, and consideration for others

Work Experience

Liverpool hospital brain injury rehabilitation 2022-2024
Liverpool hospital

- My mother was in the brain injury unit for 2 years, of which I was trained to look after her within the hospital and how to take care of her as she is non mobile. I've learnt to use all assistive technologies and how to assist with personal care.

Nonabel disability services 2024-2025
Nonabel

- Providing care and support to several different clients as well as doing drop offs and pick ups.
