# Olivia Ma

## Summary

Hello! I'm Olivia Ma, a current Nursing student at Western Sydney University, fluent in both English and Mandarin (native). I have finished 1st-year study in my degree and recently completed my first nursing placement in the Aged Care & Rehabilitation ward at Bankstown Hospital. I am currently working as casual AIN. I am proactive and enjoy working collaboratively with others. I look forward to bringing my skills, initiative, and compassion to a role in healthcare area.

## Experience

### Meditech Staffing - Assistant In Nursing (Casual)

*Sydney, NSW*

*12/2024 - Current*

- Supported daily living activities by serving meals, feeding, ambulating and turning over and positioning patients.
- Exhibited compassionate care and communication regarding issues surrounding death and dying.
- Provided basic patient care by taking vital signs, measuring height and weight, and recording intake and output.

### Bankstown Hospital - Student Nurse

*Bankstown, NSW*

*09/2024 - 09/2024*

- Provided patient care under the guidance of a Registered Nurse.
- Assisted with medication and treatments, ensuring accuracy and safety.
- Worked with a healthcare team to improve patient care.
- Kept accurate records of patient information, including assessments and vital signs.
- Monitored vital signs and responded to any changes.
- Offered emotional support to critically ill patients and their families.
- Maintained a compassionate and professional attitude with all patients.
