

SANGITA MEHTA

Hornsby, NSW, 2077 | 0409374452

Sangitamehta961@gmail.com

I am a nurse from Nepal, passionate about helping people and providing the best care. I want to work with AIN in Australia to support patients and communities. I am eager to learn, grow, and contribute to a caring team. My goal is to make a positive difference in healthcare.

EXPERIENCE

Birat Nursing Home (Biratnagar)

January 2024 – July 2024 (7 months)

- Cared for patients and ensured their safety and comfort.
- Helped doctors with treatments and monitored patients' health.
- Explained care plans and medicines to patients and their families.
- Kept medical records updated and followed hospital rules.

PLACEMENT

Meadowbank Grove Care Community

November 17-December 6

- Helped elderly residents with daily activities like bathing, dressing, and eating.
- Provided care and support to ensure their comfort and well-being.
- Assisted with mobility using hoists and standard lifters safely and effectively.
- Kept the environment clean and safe while following care guidelines.

EDUCATION

Birat Health College (Biratnagar, Nepal)

June 2019- June 2023 (4 years)

- Completed Bachelor of Nursing (BN) with comprehensive training in patient care, healthcare management, and clinical practices.
- Gained hands-on experience through clinical placements, developing skills in nursing, patient assessment, and medical procedures.

CERTIFICATE

- Flu Vaccination Certificate
- Police Check Clearance
- COVID-19 Vaccination Certificate
- Certificate III in Individual Support (Australian community and management college)
- First Aid and CPR Certification
