Profile Summary

As a highly skilled and compassionate Nurse with 3 years of experience in various healthcare settings, I have developed a strong foundation in providing exceptional patient care. My expertise in administering medication, monitoring vital signs, and managing patient records has enabled me to effectively collaborate with interdisciplinary teams to ensure optimal patient outcomes. I possess excellent communication and interpersonal skills, which have allowed me to establish strong relationships with patients, families, and colleagues. I am committed to continuous learning and professional development, and I am dedicated to providing the highest level of care to my patients.

Skills

- Competent in working collaboratively with interdisciplinary healthcare teams.
- Knowledgeable in ethical and legal issues related to healthcare
