PROFESSIONAL SUMMARY

Drear hiring manager for AIN

It is with great interest that I respond to your posting for the Assisting In Nursing Aged Care position.

I have almost two years of experience working in Covid testing sites for Laverty Pathology company, while I was studying aged care to become AIN at the same time. Now I'm working as casual work for Opal Nursing Agency on weekends because I am studying Certificate IV in ageing support to build my skills knowledge and understanding the needs of the clients and giving a good care to the residents, and I am going to finish my course within 3 weeks and I will be more flexible in future.

I enjoy working as a team and I always work in professional manner regarding my job position.

I will strive my best each day to provide the best nursing care to my elderly clients regarding their beliefs, customs, religion and language.

SKILLS

- Feeding Assistance
- Activities of Daily Living (ADL) Support
- Patient Dressing
- Emotional and Social Support
- Good at infection control and time management
- Knowledgeable about how to do the right manual handling
- Knowledgeable about how to make a bed in hospital and age care
- I can understand how to assist the patient
- Adaptable to difference working conditions and can take on instructions well
- Great team player who can collaborate with others to complete tasks
- Computer literate (MS Word, PowerPoint, Photoshop skills)
- Experience supporting and taking care of children
- Experience working successfully in difficult and varied circumstances
