WORK EXPERIENCE

RSL LifeCare Ron Middleton VC Gardens – Assistant in Nursing

March 2021 to January 2023

Showing, toileting, feeding, shaving male residents, helping them retire for the evening, escorting residents around the facility, assisting residents in group activities, understanding individual needs and abilities, providing moral support and experience in working with dementia residents.

Fitzgerald Aged Care – Assistant in Nursing

April 2019 – February 2021

Showing, toileting, feeding, shaving the male residents, helping them retire for the evening, escorting residents around the facility, assisting residents in group activities, understanding individual needs and abilities, providing moral support and experience in working with dementia residents.

Whilst working at Fitzgerald Aged Care, I successfully completed a certificate 3 in AIN.

SKILLS

- Assist residents with daily routines such as showering, toileting and feeding.
- Change the bedding and ensure bins are emptied in the residents' rooms.
- Assist residents with movement around the facility.
- Understanding Safe Work Practices for lifting & moving residents without causing injuries.
- Listening to residents to ensure they are in good mental health. Using lifter to transport residents and Sarah Steadies to move residents
