I am currently taking a gap year as I plan to study Nursing in the near future. Moved over to Australia from NZ in March and I have currently finished my placement at Thompson Aged Care (Oran Park) to gain knowledge and experience to become an AIN. I have taken training for First Aid & CPR and NDIS Manual Handling. I have had previous relevant work experiences for the Job description of a Support Worker/AIN. People describe me as empathic, sensible and mature. I am seeking a full time job in my field of study.
