Sukhwinder Kaur

Assistant In Nursing (AIN)

My goal is to work hard, and efficiently to make the best of time to establish myself as a professional. Taking every opportunity that comes by and exploring and the corporate world. To widen my horizon of knowledge and experience. I have great skills which should be used for greater opportunities. I am dedicated and passionate about the work, and I am willing to learn and complete any task that comes my way. I have enough experience and skills aquired to perform effectively in this role.

Experience

2018 - 2022

Estia Health Kilbride | 70 Glendower St, Gilead NSW 2560

AIN (ASSISTANT IN NURSING)

- Working as a AIN has helped me gain a large variety of skills and attributes.
- Through this role I have gained experience on working responsibly and ethically with the elderly.
- Completing tasks such as showering, feeding, assisting in transport, supporting them with their daily activities, and ensuring they are in a suitable, tidy and comfortable environment.
- Acquiring essential skills, which include being organised, efficient, prioritising patients needs and strong communication.

TRAINING AND EXTRA

- Police Clearance Certificate (PCC)
- Valid Car License and own transport.
- I have done training of 3 weeks in Advantaged aged Care, Preston

SKILLS AND STRENGTHS

- Ability to work independently & as a part of team
- Ability to achieve best results even under extreme pressure of any kind
- Always trying to make good cooperation and coordination with people and residents
- Working diligently and time effectively
- Ensuring good communication between both residents as well as staff members
- Professionalism when dealing with residents families
- Critically thinking and able to solve problems
