CAREER OBJECTIVE

Highly motivated and dedicated Social Worker with extensive knowledge of principles, codes, ethics, and practices. Known for exceptional organizational skills, a consistently positive attitude, and a collaborative approach to delivering high-quality care. Seeking an Assistant in Nursing (AIN) position to utilize my compassionate nature and expertise in providing outstanding resident care. Committed to maintaining a safe, clean, and orderly environment for clients. Eager to advance my career by taking on challenging responsibilities, continuously developing new skills, and contributing to organizational success.

SUMMARY OF QUALIFICATIONS

Knowledgeable in WHS: Well-versed in workplace health and safety regulations, fire safety, and manual handling procedures.

Lifelong Learner: Eager to acquire new skills and committed to professional excellence.

Self-Starter: Demonstrates initiative, strong organizational skills, and the ability to work independently.

Nursing Proficiency: Skilled in executing nursing care plans accurately and efficiently.

Resident Care Expertise: Adept at providing both physical and mental stimulation to residents.

Experience in Transition Care: Hands-on experience in delivering short-term care and facilitating smooth transitions for residents.

PROFESSIONAL ACHIEVEMENTS

Certificate III in Aged Care: Completed with practical experience as an Assistant in Nursing (AIN).

Comprehensive Elder Care Documentation: Demonstrated ability to maintain thorough and accurate records.

Activity Development: Created and implemented activities to promote confidence and independence among aged residents.

Team Leadership: Successfully motivated and educated caregiving teams on compassionate and patient elderly care.
