PROFILE

Dedicate and compassionate Assistant in Nursing with a Certificate III in Individual Support (Ageing & Disability). Skilled in delivering high-quality personal care while supporting residents' independence, dignity, and overall well-being. Passionate about providing person-centred care in a supportive and respectful environment, with a strong commitment to enhancing the quality of life for elderly individuals. Known for being reliable, empathetic, and focused on creating a safe and comfortable atmosphere for all residents.

WORK EXPERIENCE

Greenwood, Bolton Clarke Aged Care

02/2024 - PRESENT

Care Service Assistant

- Deliver person-centred care by respecting each resident's preferences, routines, and needs, while supporting their dignity and independence.
- Support positive dining experiences through assistance with meals, mobility, and allergies, and by fostering kind, empathetic interactions.
- Monitor and report food/fluid intake and promptly report any incidents or risks to ensure resident safety and wellbeing.
- Maintain a clean and safe environment by following hygiene and food safety standards in all kitchen and dining areas.
- Work as a team through clear communication, active participation in training, and upholding values and the Aged Care Code of Conduct

Mark Moran Warrawee

Assistant In Nursing

April/May, 2025

- Deliver daily personal care, including showering, dressing, and grooming.
- Supported mobility using hoists and walking aids.
- Monitor and reported changes in resident health to RNs.
- Follow infection prevention protocols and WHS guidelines.
- Collaborate with nurses, lifestyle, and kitchen teams.
- Demonstrate knowledge of the Aged Care Quality Standards in daily practice.
- Understanding Serious Incident Response Scheme (SIRS) to support resident safety and report incidents appropriately.
