PROFILE

My name is Chloe, I am 17 years old, I have lived in the Wollondilly area all my life and I have recently just finished my schooling. I get my licence in a few weeks and I will be available at any time to work.

I wish to apply for the position that you have advertised as a dental assistant,

Although I have yet to gain experience in this field, I am very quick to learn new skills and I have high motivation to achieve.

A bit about me- Im a huge animal lover and I love a good movie night at home. I come from a large family so I enjoy spending time with my cousins, aunties and uncles.

I enjoy drives with my friends exploring new bush walking tracks, and trying different restaurants.

Photography is a hobby of mine and I particularly enjoy taking nature shots when I go for bush walks or at the beach.

EXPERIENCE

Salon assistant - Beautique Hair Body and Soul — 2014-2017

My mother owned a local salon for a number of years, I worked for her and her business partner for 3 of those years after school, on weekends, and in the school holidays.

I would meet and greet the clients, offer refreshments and make them relaxed and comfortable. I would shampoo and perform basin work whilst introducing the products I was using on that client.

I would set up the work station in preparation for that stylist, and I would clean soon after the client was finished.

I would help with stock take and stock control

I was also in charge of the social media accounts, boosting promotions for the week, introducing new staff members, doing write ups on new products etc.
