- I work in Special Care Unit (SCU) where I help after the dementia residents to meet their daily basic needs and live with dignity.
- I work as a homemaker role, which is made to make the dementia people feel like a home environment.
- I even work with L&L staffs to plan different activity to engage more residents on the activity.
- I have completed medcred certificate from Montefiore so, I can do medicines as well.
- I take parts in tools box for specific residents with their family members to understand them and their habits to meet their requirements.
- I have completed my dementia essential training from Dementia Australia to understand the dementia people and their environment.
- Being an AIN I also do all the basic daily life personal care of the residents.
- Being a part of Montefiore which is high standard aged care I'm very aware of high-profile residents and the tasks to meet their need.
